

# Oxbow-Masardis Snowmobile Club Meeting

Business Meeting January 11, 2022:

**Meeting called to Order @ 18:25 Eastern by Paul Gray, President.**

## **President's Introduction (Paul):**

Thanks for coming out on a cold night and a solid attendance.

## **Vice President (Tom):**

No additional comment.

## **Secretary's Report (Seth):**

Paul took minutes at the last meeting. Report sent out via email and USPS as needed. No comments.

*[Audrey made a motion to approve, Adam seconded, unanimously approved by those in attendance.]*

## **Treasurer's report (Audrey):**

- Accounts in good status and income from the raffle as well as new memberships, also payments to MSA, payments for signs, groomer supply, new membership cards, and groomer maintenance (per quote).

*[Marjorie made a motion to approve amended report, Tom seconded, unanimously approved by all in attendance.]*

## **Trail Report & Related Maintenance Matters (Paul):**

Thus far we have groomed just about all of the trails and are using the bypass currently as they are still plowing the road as part of 85N. 85S to the Shin Pond connection is good and all signed as needed. 71D towards Libby has been groomed as far as we go (to Tank Hill), and Libby will join up as they open Friday of this week and ice cutting transpires on Saturday. We have also just opened the river trail by the old oxbow lodge area (Jim/Marjorie) and nothing flooded so all very ride ready. Gary has also been doing some packing and pipe dragging and all passable to the end of Smith Brook Road. Donald will be out to 86 later this week and there is marginal snow out of Houlton/Littleton. Overall mixed conditions with the snow that we currently have in place.

- Paul has some trail maps for those that would like them. This was updated in August; however, the trails aren't set until November.
- We have some service signs that we can put out for those with services in the area.
- Signs have been posted with the donation QR code and Adam asked if this remained the same (Seth confirmed that it would).

**Membership (Audrey):** Based on the sending out the renewals, and new sign-ups we now have 53 memberships which is an all-time high (at least for some time).

## **Website (Seth):**

OMSC Website site sessions have improved as we are getting into the season and Facebook has been more active and questions coming in via messenger. Seth offered that others could be added to help answer questions.

## **New Business:**

### **Meeting and Events**

Audrey suggested that we have a club **breakfast ride event to Umcolcus in February**. The 26<sup>th</sup> was chosen. All concurred that this is a good idea and to proceed.

If on snowmobile, we'll **depart from the clubhouse at 09:15**. You can also travel out via road vehicle but allow appropriate time as road conditions vary. Suggest everyone **plan to arrive at Umcolcus around 09:45 for a 10:00 breakfast start**. Seth will post on Facebook, as well as the website for the events section. Will try to setup so we get an attendance in advance of the event for the reservation.

For regular club meetings, as things seem to be normalizing, this will also be added to the site and Facebook page.

The next OMSC regular meeting will be on February 8, 2022 – location will be announced prior to the meeting.

**Old Business:**

**None to report.**

*[Bo made motion to adjourn, Tom seconded. Unanimously passed.] – Meeting Adjourned @ 6:48PM*

**Attendance Roster:**

#	Name	Notes	#	Name	Notes
01	Paul Gray (President)		13	Adam Burke
